

Edver Depante

On-Page SEO Specialist & WordPress Website Developer

About Me

I was born and raised in Naic, Cavite, Philippines. I have worked as a Senior SEO Specialist and Website Developer, specializing in building websites using WordPress and Elementor Site Builder. My expertise includes conducting website audits, implementing on-page SEO strategies, and optimizing website performance. Additionally, I am proficient in Adobe Illustrator and Photoshop, enabling me to create visually appealing designs and graphics.
